Bar Association – 2017/2018 Committees

Below are the membership lists for the Bar Association's 2017/2018 committees.

The new committees formally come into effect on 3 July 2017. However, in practice the 'changeover' will occur over the next few weeks. The Committee secretary will be in contact with the outgoing and new committees to settle the details.

As happens every year, we have received an overwhelming number of offers to assist in the work of the committees. It is simply not possible to take up everyone's offer. Thank you to everyone who volunteered to serve.

It is important for there to be some turnover in committee membership each year and that committee membership reflects as wide a cross-section of the Bar as possible. There is neither room on a committee, nor is it fair to others who wish to be on a committee, for members who (for whatever reason) are not able to make a sustained contribution to the work of their committees. In addition, in order to accommodate the interests of as many members as possible, and to maximise the opportunities available to members, as a general rule, no applicant will sit on more than two committees. The new committees have been chosen with all these things in mind.

During the year the Bar Council will inevitably need the assistance of members on a wide range of matters that do not fall within a committee's jurisdiction. Sometimes, some committees have more work than they can manage. Assistance may be sought from those who have volunteered but who at this time we have been unable to place on a committee.

If anyone selected for membership of a committee is at any time unable to devote sufficient time to their Committee work, I ask that he or she let me or the Executive Director know as soon as possible.

I would like to thank all those members who are not continuing on a committee this year for all their assistance in past years. It is in accordance with the highest standards of the profession that so many members of the Bar keep offering to work on committees, often for many years.

Finally, you may note that a new Innovation and Technology committee appears on the list this year. This was recently created by Bar Council and the inaugural committee members are listed. There will be the usual call for nominations for this committee next year.
