### About Julian Burnside AO QC

Renowned Australian barrister, human rights advocate and author, **Julian Burnside AO QC** was awarded the 2014 [Sydney Peace Prize](#) for his brave and principled advocacy for human rights. Most recently Julian Burnside has been arguing the case for asylum seekers who have arrived in Australia by boat fleeing conflict in their homelands. Burnside acted for the Victorian Council for Civil Liberties against the Australian government in the *MV Tampa* affair, arguing that Howard government's treatment of those asylum seekers denied them rights afforded under the Migration Act and international treaties. He is also a staunch opponent of indefinite, mandatory detention which current policy permits.
