

NEW SOUTH WALES
BAR ASSOCIATION®

EXECUTIVE DIRECTOR

The NSW Bar Association is a voluntary association, comprised primarily of barristers with their principal place of practice in NSW. The Association seeks to: promote the rule of law; promote collegiality and practice development of its members; represent the interests of its members in dealings with government, the broader legal profession, the media and the community, and regulate fair and honourable practice amongst barristers.

The Executive Director, operating effectively as the “CEO”, will work closely with the President, the Executive and Bar Council in connection with the development and administration of the Association and the implementation of the policies of the Bar Council. This represents an outstanding opportunity for a well-credentialed senior leader to play a pivotal role in the Association and in the proactive representation of its members.

Essential professional attributes include:

- Broad management experience within a legal, private or public service environment
- Experience in legal policy formulation and/or legal administration
- Analytical and flexible problem solving skills
- Excellent written and oral communication skills, with a proven aptitude for stakeholder engagement, particularly in a political or complex environment
- Outstanding advocacy and representational skills
- Strong professional and personal ethics
- Legal qualifications
