ALSA BREAKFAST WITH 2x WORLD CHAMPION TOM CARROLL & SURFAID FOUNDER, DR. DAVE JENKINS

The Australian Lawyers Surfing Association in partnership with humanitarian aid organisation, **SurfAid**, invite you to join **2x ASP World Surfing Champion, Tom Carroll**, and **SurfAid founder Dr. Dave Jenkins** for breakfast.

This is a rare opportunity to hear big wave rider and SurfAid ambassador, Tom Carroll talk about his amazing career highlights including 26 career world tour wins, three Pipe Masters victories (87, 90, 91), and two world titles (83 and 84).

Learn why Tom Carroll supports SurfAid, and meet the founder, Dr. Dave Jenkins whose 1999 trip to Indonesia led him to remote villages where people were dying of preventable and treatable disease. In a defining moment he left his job, sold his house, and founded not for profit organisation, **SurfAid**.

SurfAid is a humanitarian organisation whose aim is to improve the health, wellbeing and self-reliance of people living in isolated regions of Indonesia. Central to the work of SurfAid is access to **clean water, improved nutrition outcomes**, and access to **basic healthcare**. SurfAid does this with the support of surfing organisations, corporations, philanthropic foundations, and the Australian and New Zealand governments.
