

OVERCOMING NON-FINANCIAL BARRIERS TO ACCESS TO JUSTICE

DATE: Tuesday 27 November 2018
TIME: 5:00pm – 6:30pm
PLACE: The Banco Court, Level 13 Law Courts Building,
 Queen's Square, Sydney

This is the third and final event in the Academy's Access to Justice series for 2018. Whereas the second one focussed on "Overcoming financial barriers", this time the debate will be on "Overcoming non-financial barriers".

The non-financial barriers are various and numerous: difficulties associated with language, culture, age, geographical location, disabilities whether physical or intellectual, and others.

We have a Chair and panel chosen for their interest and expertise in various areas of non-financial disadvantage that people experience in accessing our system of justice.

A general idea of their areas of particular interest can be gathered from the panel below.
