This clinic for legal costs under the new Uniform Laws is presented by the Costs and Fees Committee. All members are invited to attend for an explanation and discussion of the new rules relating to costs disclosure, costs agreements, billing and fee recovery.

Coverage will include issues of practice management, use of precedents, costs disclosure, costs agreements, security and fees in advance, billing and recovery.

There will be opportunity to discuss barristers' questions and to focus on specific practice areas (e.g. crime, personal injury, workers compensation and motor accidents).

The clinic is intended as an interactive event with capacity to respond to participants' issues. Participants are invited to consider and identify those issues beforehand in order to get the most out of the clinic.
