Meet the Speakers!

The line-up of speakers for WBC2016 is coming together. We are looking forward to welcoming esteemed members of the bars, benches and wider professions, and from all corners of the world. Profiles of many of the speakers can now be found at www.worldbarconference.com/speakers.

Late Rise for the Early Birds...

To coincide with our further speaker announcement, we are pleased to advise that the early bird discount will remain available until 30 November 2015. We hope this will enable as many delegates possible to take advantage. Full details and terms and conditions can be found at www.worldbarconference.com/booking.

Due to the capacity of the conference venues, full delegate attendees will be limited to 200 with a limited number of spaces available at social events for partners and others. Over half the partner places have already been booked up - be quick and don't miss out!
