Lend your ear to those not heard

Your voice to those who make no sound

The Law Kitchen (or TLK) provides 'on the ground' assistance to people who are either transiently, episodically or chronically homeless or otherwise in dire straits. On the ground means that we operate at the coal face, on the streets. TLK is an initiative pursued in conjunction with the NSW Bar Association. We do not compete with traditional free legal service providers, but focus on persons who, because of a host of issues relating to homelessness, find it difficult even getting to a shopfront setting. At whatever level you choose, this CPD Seminar is an opportunity for you to find out how you can get involved and be enriched by helping people who face some of the most challenging of life's issues.

THIS SEMINAR IS OPEN TO MEMBERS OF THE NSW
BAR ASSOCIATION

REGISTRATION IS NOT REQUIRED
