### president's message

**Richard Lancaster SC**  
President, EPLA (NSW) Inc.

Following the success of last year's Conference in the Blue Mountains, EPLA returns to Sydney in 2017.

The annual conference will be held on 19 and 20 October 2017 at the Lendlease Darling Quarter "Monkey Baa" Theatre at Darling Harbour.

The annual EPLA conference covers a wide spectrum of topics selected to engage and interest professionals from many disciplines who practice across the diverse areas of planning, local government, environmental law, administrative and property law, and climate change.

In 2017 our focus is on SUSTAINABILITY across land, water and air.

The specially designed sessions will include spotlights on biodiversity, affordable housing, and sustainability in action across NSW and among the States.

Practical sessions will look at modern litigation in court and tribunal hearings, including paperless trials, and an NCAT update dealing with the new strata laws and proceedings against certifiers.

Also included is an ethics session with refreshers and recent developments about the expert code of conduct and the requirements upon model litigants.

As always, the EPLA Conference speakers will be leaders in their field, updating and educating delegates on new legislation, practices, proposals, important Court cases and recurring issues as requested by past attendees.

EPLA continues to be grateful for the support provided by the participation of members of the NSW Court of Appeal and the Land and Environment Court. We again look forward to hearing from elected representatives from all levels of government.

Regardless of whether you practise in regional or metropolitan areas, the conference will address issues of interest while allowing you to meet all your CPD/CLE mandatory requirements.

Our multi-disciplinary organisation caters for those working in the fields of planning, environment, architecture, local government and the legal profession – whether you are in government or private enterprise or a non-profit group.

The conference aims to be relevant for all of you.

I am excited to announce that my "President's Drinks" are this year being sponsored by Ashurst and will be held on the Rooftop Terrace of their beautifully modernised premises in the historic building at 5 Martin Place on Thursday, 19 October.

We are thrilled to feature an ensemble directed by Ben Dollman, Principal Violin with the Australian Brandenburg Orchestra, (with a masters in environmental studies!), who will perform at the Drinks.

The dinner, always a highlight of the conference, will be held on Friday, 20 October at the conclusion of the conference. We have something special planned for the evening in the Dinosaur Gallery of the Australian Museum, details of this mystery event will follow.

The EPLA Conference is an opportunity to meet or re-engage with your fellow practitioners, enjoy interesting presentations and come along to some great social events.

The EPLA conference would not be possible without our excellent and faithful sponsors, who are listed on page 4.

A conference registration form is attached for those wishing to register this financial year.

I look forward to seeing you at the Conference!
