The Australian Disputes Centre cordially invites you to attend

ADC's 35th Anniversary & Australian ADR Awards 2021 Gala Dinner

The Australian ADR Awards recognise individual and team excellence in the specialised field of dispute resolution.

Bringing together leading ADR and legal practitioners, courts, tribunals, corporations and Ombudsman dispute resolution services, the ADR Awards offer an invaluable opportunity to celebrate the outstanding quality and breadth of work of Australia's dispute resolution practitioners across 24 Award categories.

This year, winners of the 6th Annual Australian ADR Awards will be announced at a gala dinner hosted by ADC at the prestigious Australian Golf Club. It is a night of magic, music and conviviality.

The evening also celebrates the Australian Disputes Centre's 35th Anniversary. In its many decades of

service, ADC has been a dynamic advocate for ADR. Looking forward to the next phase in its development and service, ADC is also celebrating its move into the heart of the legal sector at Lockhart Chambers.

The evening will include a special thankyou and recognition of The Hon. Tom Bathurst AC (pictured) for his significant contributions to ADR as Chief Justice of the Supreme Court of New South Wales.
