

PETERIS GINTERS Day

7 November 2019

Peteris Ginters was called to the bar in 1998 and was forced into premature retirement on 7 November 2016 when he was diagnosed with **Motor Neurone Disease** (MND).

As a barrister Peteris embodied some of the finest qualities of the profession. Meticulous in his preparation, and courteous with colleagues in and out of court, his legal acumen surely destined him for Silk had he been able to continue in his career.

Peteris Ginters Day is an opportunity for everyone in the legal profession to support our good friend and colleague and to aid the fight against **MND**. On 7 November 2019 the legal profession in NSW will stand up for **Peteris** and recognise his contribution to our lives and the legal profession, by donating to fight MND. Our contribution will go to the research work of Peteris' treating neurologist, **Professor Dominic Rowe** who is leading the way to finding ways to effectively treat, and ultimately eliminate, **MND**.

You are invited to join us in donating whatever you earn on Peteris Ginters Day to Professor Rowe's research by filling out the Pledge below and sending it to:
